SPECIAL SKILLS:

D'Corey is a ray of sunshine, to whomever he comes into contact with. He has a beautiful smile and a HUGE loving heart. He is very spiritual and is willing to stop everything to whisper a word of prayer on your behalf.

He draws attention to himself everywhere we go! He is not shy about singing, (he won second place in a school talent show) dancing, or acting out a scene from a movie or show. D'Corey is very intelligent for his age and can pick up on things very fast. He enjoys acting, singing, and watching plays. He will be a joy to work with.
