Who's up for an adventure? McCarron is! This 9 year old gal enjoys stories of bravery, beating the odds and fantastic adventures with friends. With a wide spectrum from musical theatre to riding her 4 wheeler, you never know where you'll find McCarron. She also appreciates her opportunities to mellow out with Legos, a movie, or a good book - if she isn't writing her own story. Her favorite place to be is on the beach, catching waves on her boogie board.
