Reagan is 5 years old and currently in Kindergarten. She received the school certificate for being the "Most Entertaining" and loves being in the front and center of anything that's happening. A natural comedian, she's always good for a solid laugh or to keep her audience smiling. Reagan is a social butterfly. She loves boys. She is quite the girly girl, loving clothes and make-up. Stay on your toes. This little gal is quite tactical and knows how to get what she wants all while stealing your heart.
