Voice-Over Talent

COMMERCIAL, NARRATION, EXPLAINER VIDEOS, CHARACTER VOICES,
VOICEMAIL/IVR, PODCAST PRODUCTION

PROFILE

My career started in 2012 following many years working in the veterinary medicine industry. I've voiced commercials, podcasts, characters, comic book dubs, training videos, video games, voicemail systems, and impressions. I have a very fast turnaround time and prompt communication. My job is to make your project better, not your life harder.
