“Of particular note was Retone’s superb portrayal of Mary. Retone took over the stage in all of her scenes. She deliberately overreacted when faking pain to, depending on the viewpoint, hilarious or annoying effect. She was cutthroat, manipulating or controlling everyone from the other school girls to her own grandmother. Her reactions when others questioned Mary’s seemingly nonstop lies or intentions were spot on.

Retone made the perfect antagonist out of Mary. “ Keith Waits, A Game of Rumor (CTC)
