## EXPERIENCE

### **Sanas, Remote — Voice Talent**

December 2021 - PRESENT

Recording phrases into AI software, with a voice coach and audio engineer.

### **IBM, Remote — Voice Talent**

June 2020 - PRESENT

Contract work with a recruiter for IBM, mainly reading educational and training scripts.

### **Freelance, Remote — Voice Talent**

April 2018 - PRESENT

Contract voice over talent for many projects ranging from small startups to fortune 500 companies.

## EDUCATION

### **Blackbird Academy, Nashville — Certificate of Completion**

December 2018 - May 2019

This program is the highest regarded audio engineering educational program in the country. Learned how to build and refine a studio, set up studio sessions for bands, and ensure production is flawless.

### **Franciscan University, Ohio — Business Mgmt**

January 2016 - May 2018

Program focuses on developing a broad understanding of business organizations and specific knowledge in areas such as markets, customers, finance, operations, communication, information technology and business policy and strategy.
