Jack is a super kind, positive and funny kid. He is a great listener and takes direction well. He gets along well with everyone, is adaptable, has great manners and yet takes his work seriously. He is small for his age so can easily play a younger age child. He loves to snow ski, play soccer and video games with his friends as well as getting outdoors to ride bikes, hike and explore the world. He enjoys reading, can memorize lines well and he plays the piano. \*WILLING TO TRAVEL\*
