

Hi, my name is Pamela Antwine. I am a full time Voice Talent with a professional home studio. I have been in the voice over business for 12+ years working with brands like Silver Sneakers, Medicare, Heal Health Care and various other companies.

I realize that the voice of your project is sometimes the last part of the production wheel. I provide clean professional audio, ultra quiet, free of breath and mouth noise with fast turnaround.

GEAR: Home Studio, MacBook Pro, Twisted Wave, Focusrite Audio Interface, Rode NTG2 Mic.

LANGUAGE: American English **Gender:** Female (She/Her)

TONE: Authoritative, Casual, Energetic, Emotional
