BIOGRAPHY

Lexie has been in the industry since August 2024. Since then she has had several auditions, many of which have resulted in callbacks and bookings, proving she can take direction, maintain a professional demeanor, and interact with industry professionals. She has a natural ability to shine in front of the camera, allowing her personality to radiate in print, commercial, tv and film. Lexie is a very bright and happy child. She has academic awards and is being considered for the gifted program at her school. She also has the kindest heart and is always helping others and has received recognitions for it in school.
