Meet Autumn!

Autumn is a vibrant, outgoing young girl with a love for adventure and exploring new places. While she enjoys traveling and discovering the world around her, she also finds comfort in the cozy routines of home life. Autumn has been fully homegrown—she's never attended daycare or traditional school—and will begin her homeschooling journey with Kindergarten this fall.

A creative and active spirit, Autumn enjoys reading, writing, painting, dancing, and playing games. Her favorite pastimes include playing soccer and basketball, competing in beauty pageants, and attending ballet class. She began soccer and basketball in 2023 and has been studying ballet for nearly a year.

Autumn's talent and charm have already earned her recognition in the pageant world. In 2024, she won *Best Theme Wear*, *Best Hair*, and *Princess* titles at the Miss Hollywood Era beauty pageant in Lawrenceburg, Kentucky. In January 2025, she was crowned *Tiny Miss Winter Wonderland* and received the *Best Smile* award, and most recently, on May 10th, 2025, Autumn was crowned *Tiny Miss Candy Apple Novice Supreme* and received the *Prettiest Eyes* award.

Autumn brings joy, creativity, and determination to everything she does—and she's just getting started!
