Special Skills

I have experience in playing a variety of sports from basketball, volleyball, soccer, and flag football. My favorite sport at this time is archery. I have been in archery since 4th grade and have made State Archery tournaments every year. This year I will be traveling to Myrtle Beach, SC for the World Archery Tournament. I have been in musical theater since I was in 2nd grade. I truly got the theater bug when I was in the performance of Best Christmas Pageant Ever with Stage One. Most of my musical theater experience has been with Sacred Heart School for the Arts and Stage One. I am vocally trained as a tenor and currently taking dance lessons in tap, ballet and modern through school. Currently I am a Sophomore at duPont Manual High School/Youth Performing Arts School studying musical theater.
