Special Skills

Vocal ability: Alto with extended range into lower soprano; experienced in R&B and contemporary styles. Former member of an R&B singing group and longtime pageant competitor, with extensive performance experience on stage. Plays flute and piano, strong singer, and experienced in cheerleading and directing marching band. Skilled driver (manual transmission), comfortable working with children, and holds both a valid passport and driver's license. Accents include Southern, African, and various others. Fun fact: I prefer creamy peanut butter over chunky, and at Captain D's I always swap hush puppies for breadsticks.
