Special Skills: Proven ability to adapt easily to the dynamic demands of modeling assignments. Fluent in English and Spanish, with excellent verbal communication skills, facilitating clear and effective interactions. Experienced in engaging audiences, maintaining poise in public settings, and presenting materials in an appealing manner. Skilled in developing creative lesson plans and instructional materials, with a keen eye for aesthetics and detail. Demonstrated leadership, with the ability to work collaboratively in diverse teams. Familiar with digital tools and social media, enhancing personal brand and engaging with a wider audience. I enjoy reading, sewing, traveling, and watching any of the Star Trek shows during my spare time. 🙌
